Scribes Signup Sheet

Please sign up to be a scribe; it counts for your participation points! You will need to take good notes, clean them up, and send them to me; you can use any of the following formats: ASCII text, Framemaker, *troff*(1), *latex*(1), or Microsoft Word. (If you want to use something else, please check with me.) I will review the notes and put them out on the class web page. This will (1) help you to solidify and review the class material as you make up the notes, and (2) help everyone with the homework.
